

## Unit 3: Lesson 1: Clothes

### 1. Drag and drop:

|       |       |       |
|-------|-------|-------|
| dress | pants | skirt |
| shirt | socks | shoes |

|                                                                                    |                                                                                    |                                                                                      |
|------------------------------------------------------------------------------------|------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
|   |   |   |
|                                                                                    |                                                                                    |                                                                                      |
|  |  |  |
|                                                                                    |                                                                                    |                                                                                      |

### 2. Look and write:

|                                                                                     |                                                                                     |                                                                                     |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|  |  |  |
|                                                                                     |                                                                                     |                                                                                     |
|  |  |  |
|                                                                                     |                                                                                     |                                                                                     |

### 3. Fill in the blanks:
