This is my lovely mother. She is in the middle age when my father took this photo. She is a housewife. She usually stays at home during the day.

She is very beautiful. She has long black hair, two round eyes, a pointed nose and thin lips. She is slim and tall.

She also has a mole on her lips. Maybe it makes her very talkative. Sometimes, it disturbs me so much when she asks me to do many things on my holidays. However, she is very attentive for us. She listens to her children and knows if we have problems. She always gives us the best solution for our problems.

Unfortunately, a cancer took her away from me a year ago. She is not here now but she stays in my heart forever.

I have a pet bird. Her name is Mimi. She is a parrot.

Mimi has green feathers and a red beak. She looks very beautiful. She feeds on little pulse and grain and sometimes on fruit. My mother puts her food into the cage. But she likes to have it with me.

Mimi flies from here and there in our house. She likes to be near me. Every morning she has a bath. She jumps into the tub. Her wings get wet. Then she hops into the bar of the cage. She learns to talk and loves it. We put her into the cage when we go out. It makes her very sad when we do that. She makes a lot noise when we come back. I am very much fond of my pet bird Mimi.

Never Say Never**Justin Bieber**

Never say never
Yeah, yeah, never ever
Never ever, ever, ever, ever, ever
See I never thought that I
Could walk through fire
I never thought that I
Could take the burn
I never had the strength
To take it higher
Until I reached the point
Of no return
And there's just no turning back
When your heart's under attack
Gonna give everything I have
It's my destiny
I will never say never
I will fight
I will fight 'til forever
To make it right
Whenever you knock me down
I will not stay on the ground
Pick it up, pick it up
Pick it up, pick it up, up, up
And never say never

Always be Together**By Little Mix**

We are, friends for life
Hold that, deep inside
Let this, be a drive
To survive

And just stand, high and tall
Make sure you give your all
And if you ever fall
Know that I'm right here

We'll always be together, don't you worry
I'll always be by your side, don't you worry
The circle will never end, just know that we'll meet again
And we'll always be together, forever, always
...

Sung by: Miley Cyrus

We sign our cards and letters BFF
 You've got a million ways to make me laugh
 You're lookin' out for me; you've got my back
 It's so good to have you around

You know the secrets I could never tell
 And when I'm quiet you break through my shell
 Don't feel the need to do a rebel yell
 'Cause you keep my feet on the ground

You're a true friend
 You're here 'til the end
 You pull me aside
 When something ain't right
 Talk with me now and into the night
 'Til it's alright again
 You're a true friend

Lionel Messi is my favorite footballer. He is a famous footballer playing for Barcelona FC in Spain. In my opinion, he is a very talented footballer. He can dribble well like dancing. He can also run very fast although his body is quite short for a footballer. He can pass the ball well and help his team winning a game.

Beside those abilities, Lionel Messi is also an excellent goal getter. He often makes goals in every game he plays. Lionel Messi has several achievements. He has won the best footballer in the world 3 times. In Spain he has several achievements such as the best goal-scorer and top goal-scorer. He brings Barcelona to win trophy of La Liga and Champions League many times.

Unfortunately, his achievement in La Liga doesn't bring anything to his career in Argentina's team. Since he has joined the national team, they never win a trophy.

Messi is well-known as a very kindhearted person. He is very polite in and outside the pitch. He founds an institution of charity to help children in health and education.

"What is it?", that's the first question that came to my mind when my mother bought me this tiny thing. It is a "door opener", one of the new-normal starter packs. There are several things we can do with it. First, we can open the bottle using the small hook. Second, we can open the door with the help of the big hook, so our hands are free from touching public stuff. Third, we can press any buttons like in the ATM, lift, and many more with the small tip. And the last, we can decorate our bag with it because we can

use it as a key chain. I really like this thing. It is very useful to minimize the spread of coronavirus.
