Assalamu'alaikum wr.wb. Good morning, class. I hope you are all in a good condition. Well, today we are going to learn a new topic, which is ***Plan and Intention.***

What is plan? What is intention? Those questions might come into your mind. To understand more about what plan and intention are, please do the following task.

> *Apa sih **"plan"** itu? Apa sih **"intention"** itu? Pertanyaan itu lah yang mungkin muncul dalam benak kalian saat ini. Nah, untuk memahami ap aitu **plan and intention**, kerjakanlah latihan berikut ini.*

Task 1

Direction: Match the pictures with the correct statement.
Petunjuk: Pasangkanlah gambar dengan pernyataan yang benar.

Picture	Statement
	**I would like to be a swimmer.** *(Saya ingin menjadi seorang atlit renang.)*
	**I would like to be a cook.** *(Saya ingin menjadi seorang koki.)*
	**I would like to be a tennis player.** *(Saya ingin menjadi seorang pemain tenis.)*
	**I would like to be a gardener.** *(Saya ingin menjadi seorang tukang kebun.)*

From Task 1, we learn that we can use the phrase "I would like to…" to express **intention**. It tells what you want to be or to do in the future, even though you haven't had any plans about it yet.

> *Dari Latihan 1, kita belajar bahwa kita dapat menggunakan frasa "Saya ingin…" untuk mengungkapkan **niat/keinginan**. Frasa tersebut menyatakan kalian ingin menjadi apa atau ingin melakukan apa di waktu mendatang, meskipun kalian belum memiliki rencana sebelumnya.*

From Task 2, we learn that we can use the phrase "I am going to…" to express **plan**. It tells what you have planned before, what you are going to do in the future.

*Dari Latihan 2, kita belajar bahwa kita dapat menggunakan frasa "Saya akan…" untuk mengungkapkan **rencana**. Frasa tersebut menyatakan apa yang sudah kalian rencanakan sebelumnya, apa yang akan kalian lakukan di waktu mendatang.*

So, what is the difference between plan and intention? Plan is something you want to do that you have arranged before. You have created a plan before doing what you want to do. While intention is something which tells about what you intend to do, your intention, without any plans before.

Jadi, apa sih bedanya rencana dan niat/keinginan? Renacana adalah sesuatu yang ingin kalian lakukan yang sudah kalian rencanakan sebelumnya. Kalian sudah menyusun rencana terlebih dahulu sebelum melakukan apa yang kalian inginkan. Sedangkan niat/keinginan adalah sesuatu yang ingin menyatakan apa yang ingin kalian lakukan, keinginan kalian, tanpa ada rencana sebelumnya.
