

Comparative Adjectives

(Perbandingan)

We use comparative adjectives to compare two nouns (objects, people and place).

Usually, comparative adjectives are added '-er' at the end of the adjective. Some adjectives uses 'more ____ than' or 'less ____ than'

When comparing, we need to use word 'than' after the adjectives.

Remember! Use comparative adjective to compare TWO NOUNS.

Add '-er'

cats are smaller than dogs.
cars are faster than bicycle.

'more' or 'less'

I have less money than my friend.
This drawing is more beautiful than the other.
