To ensure the best possible education for our students, we believe that everyone:

- Has rights with responsibilities;
- Must be treated fairly and equally;
- Should be supported to be the best they can be;
- Should get value for the time they spend;
- Must be shown respect;
- Should feel welcome and have fun;

We know that there are a lot of different schools around the old. Look at the photos of an English secondary school called Eton College.

Eton College

Some schools in Britain are very famous, usually because they have a lot of history. Take Eton College, for example. It's a public school and it's over 570 years old! Students start when they are 13 and finish when they are 18. Eton is a boarding school. That means that the students live in the school. Only boys go to Eton.

At the moment, Eton is popular with the British Royal family. Prince William and Prince Harry are old Eton students. Royal families from Africa and Asia send their children to Eton and a number of British Prime Ministers are "Old Etonians". And some fictional characters are old Eton students too – the secret agent James Bond, 007, for example. You need a lot of money to study at Eton. The school is expensive. It costs approximately £30,000 a year to study there.

Tradition is important in Eton. The students and the teachers wear a special uniform which is very formal. The students don't call the teachers "teachers" they call them beaks. All the students study Latin for minimum one year. The classes are often small; they have just ten students in some lessons. 30% of the students go to Oxford or Cambridge University when they finish their studies at Eton.

Sport is very popular at Eton. They play normal sports, but they also play games which only exist at Eton – one is called the Eton Wall Game. The Eton Wall Game is a very physical type of football. Actually, Eton is one of the first schools in the world to play football. It's interesting that another popular sport comes from an old English public school. The name rugby comes from Rugby School. The first written rules for this sport came from Rugby School in 1870.
