Studying in Wales...

Many students study in a different country for a year to learn about a new place.

We talked to Ali from Dubai. He is studying in Cardiff, Wales. Ali said that he uses a lot of English. "I speak and write very well now. I feel confident with my English skills!" He likes visiting all the different places in Wales.

"Wales has 600 castles. We go to a new one every weekend!" Ali goes to class from Monday to Friday. He likes computer class. One thing Ali doesn't like is the weather. "It's very cold and it rains a lot." Ali's parents are very happy that Ali is studying in Wales. "He tells us all the interesting things he does. We can't wait to visit him."
