

## PHRASAL VERBS

## 1. What is a Phrasal Verb?

**Verb + Particle** (get off, think about, cut down on, look forward to,...)

## 2. There are verbs whose meaning is determined by the particle

**Examples:** Look into = investigate      Look up = admire  
Look for = search      Look out! = Be careful!

## 3. Some are literal: Come in

## 4. Some are idiomatic (not literal): Look forward to

## 5. Relate the phrasal verb to its synonym. Write the numbers. If you don't know them, look them up in a dictionary
