

Fill in the table below with correct numbers of Protons, Electrons and Neutrons (PEN).

Practice

Name of element	Number of Protons	Number of Electrons	Number of Neutrons	Name of element	Number of Protons	Number of Electrons	Number of Neutrons
Hydrogen	1	1	0	Sodium	11	11	12
Helium				Magnesium			
Lithium				Aluminium			
Beryllium				Silicon			
Boron				Phosphorus			
Carbon				Sulphur			
Nitrogen				Chlorine			
Oxygen				Argon			
Fluorine				Potassium			
Neon				Calcium
