Reading Comprehension

Story Elements: Character(s), Setting and Plot (Problem and Solution)

A story has different parts or elements.

Story used: The Lion and the Mouse

1. Character(s) are the people, animals or other creatures in the story.

Character(s) are - "WHO" in the story.

E.g. The lion, mouse and the hunter

2. Setting – is the place and time, when and where the story happens.

Setting is the WHERE and WHEN in the story.

E.g. place- jungle time- afternoon

3. Plot – is the actions or events that takes place in the story.

It has the beginning, the middle and ending events.

The plot also has a problem and a solution.

Plot is the WHAT and WHY in the story.

Problem tells what happens or tells the difficulty a character is facing.

Solution tells what the character does to solve the problem(s).

The solution is also called the resolution.

REMEMBER: Whenever you are reading:

character(s) are the WHO

setting – is the WHEN and WHERE

Plot is the WHAT and WHY
