

Write the following notes in your Reading notebook.

Name:

Date: Tuesday September 21st, 2021

Grade: 3

Subject: Reading

Topic: Story Elements

What are story Elements?

Story elements are the pieces or ingredients that when put together make up a narrative story.

Setting: The physical location and the time of a story. It is the “where” and “when” of a story.

Character: The people or animals in a story.

Plot: The important events or actions that occur during a story. They happen in the beginning, middle and end of the story.

Problem: The problem or challenge the characters face. It is something the characters want to change, fix, or figure out.

Solution: The way the characters solve the problem

Refrain: A repeated phrase or lines in a song or poetry.
