

Welcome to Grade 9 ❶. The first unit is all about teenagers or ❷. Teens are young adults aged between ❸ and 19. You'll find lots of useful information about teen life, teen interests and what teens ❹. We'll also be learning more ❺, for example, teamwork, opinion, drugs and exams. Then there's more language focus work on ❻, apostrophes and conjunctions. There are also some ❼ activities that you may find useful when talking with friends. Oh yes, I nearly forgot: we'll also spend some time ❽ work from Grade 8. Enjoy yourselves!
