Yesterday, I was playing video games in my room when I heard people screaming. I went out and saw: my neighbor's house was on fire! In less than 10 minutes, the fire fighters arrived and fought against the fire for one hour until they made it. WOW! They are really cool! One of them entered the house and saved the Johnson's dog that was trapped in the fire. I made a decision: I want to be a fire fighter when I grow up.
