Hi. My name is Vicky.

My favorite sport can be played with two or four players.

We use a small ball which is usually bright yellow.

There's a net in the middle.

We have to run and hit the ball over the net with a racquet.

We score when the ball touches the floor outside the court.

Hello. My name is Alex.

This is my favorite sport. There are ten players in each team.

We can play it inside or outside.

We wear shorts and T-shirts and use a large orange ball.

We can't kick the ball. We run, pick up the ball and bounce it.

Then jump and throw the ball into a basket.

Hello. My name is Sue.

There are 11 players in each team in my favorite sport.

We usually play outside with a big white ball.

Ten of the players can't use their hands.

They have to kick the ball to score a goal.

One player on each team has to catch the ball to stop the other team scoring the goal. It's the most popular sport in the world.

I'm George.

And I'm going to tell you about my favorite sport.

There are 12 players in each team but only 6 players at one time.

We can play it inside or outside. It's very popular at the beach.

We use a ball. We have to throw the ball over a net, but we can't catch the ball. We have to hit it.

We score when the ball touches the floor on the other side of the net.
