tall eye-catching Yellow short pleasant sweet-smelling

Until last month, our house had a small, empty and dull garden with few ..... trees. Then my father and I changed that using some money my father was saving. It wasn't a .....looking garden, so we turned it into a green and ..... garden. Now, on a sunny warm day we can enjoy sitting there looking at the colourful , ... flowers with some ..... trees. It is so relaxing to watch the ..... butterflies fly from one flower to another, and listen to small birds singing on the green palm trees. We really love gathering in our beautiful garden now.
