

# Fortune Teller

by MAROON 5

Listen and complete the gaps.

I'm not a fortune teller, I won't be bringing \_\_\_\_\_  
Of what \_\_\_\_\_ brings, I'll leave that up to \_\_\_\_\_  
I'm not a fortune teller, don't have a crystal ball  
I can't predict the \_\_\_\_\_, can't see nothing at all

It doesn't mean I'm afraid of all the things that you \_\_\_\_\_  
But I just think we should stay stuck in the moment \_\_\_\_\_  
And as the seasons roll by, no matter how hard I \_\_\_\_\_  
\_\_\_\_\_ will end and the leaves will turn again

Order the sentences and complete the gaps:

..... I don't know why you had to \_\_\_\_\_ it again  
..... Don't worry about \_\_\_\_\_'s mess  
..... I don't know why you're \_\_\_\_\_ like this  
..... Why'd you have to go and ruin the \_\_\_\_\_

(Chorus)  
I'll never know how the future \_\_\_\_\_  
I don't know what to \_\_\_\_\_ you, I'm not a fortune teller  
I'll never \_\_\_\_\_, but I want you to stay  
I don't \_\_\_\_\_ what to tell you, I'm \_\_\_\_\_ a fortune teller

I don't like \_\_\_\_\_, I don't know what it all means  
And your \_\_\_\_\_ dream, baby it just isn't me  
I know that what I'm thinking may not be on your mind  
I know the song I'm \_\_\_\_\_ is not your favorite kind

This feeling keeps growing  
These \_\_\_\_\_ keep flowing  
How can I have \_\_\_\_\_  
When you drown me in \_\_\_\_\_?
