Religious Education- God is Omnipotent

Clozed Passage

Look at the passage below. Then use it to fill in the blanks.

God is omnipotent or all powerful. He reigns over the earth He created. He provides for the animals and mankind. God has miraculous power to heal individuals and to forgive sins. He even has power over death, as He raised Jesus from the dead. In the Bible, God used His power to deliver the Jews, His chosen people from slavery. In the wilderness, He provided food, water and other basic needs for them. He even helped them fight many battles against their enemies. God also used His power to help and heal many people. God still uses His power to help and heal individuals today.
