Dear Misha,

I'm going to the computer expo in the evening. I'm thinking of buying either a desktop or a laptop for you as you've been having lots of assignments lately. Do you prefer a desktop or a laptop? Let me know.

Subject :	Laptop, please!

Dear Dad,

I think a (1) _____ would be most ideal. It's (2) _____ for a student like me. I like the fact that a laptop is (3) _____, light and compact. This makes it (4) _____ for me to carry it from home to school and back again. That will also help greatly when I go for my (5) _____ sessions. Desktops are (6) _____ and would take up too much room in my study. A laptop gives less (7) _____, therefore making my room (8) _____.

Your daughter,
Misha
