

F Read what Amirul does on Sunday.

On Sunday morning, I always wake up at 8 o'clock. I always have breakfast with my family. I do my homework. I sometimes read if I don't have any homework.

After lunch, I sometimes watch TV with my brother and sister. I never take a nap.

In the evening, I sometimes go to the park at 5 o'clock to jog. I never play basketball. Before I sleep, I always brush my teeth. I sometimes listen to music to relax.
