

1. Read the text and answer the questions:

My name is Soumik Datta. My brother, Souvid, is a photographer. We live in England, but we were born in India. We wanted to learn more about dance and music in India, and we wanted to make a film. So, in 2015, we visited India and saw more than 100 different musicians.

Soumik and Souvid Datta were born in

 .

In  , they went to India to make a film.

They saw over 100  there.

A group from Karnataka is famous for a

 .

One group of musicians from Karnataka are famous for their dance called 'the Kunitha'. They wear colourful costumes and many of them play the drums. They sing and jump too. All the men are farmers, but they love dancing.

the men in the group play the drums.

The men in this group are all

Read. Complete the sentence.

We filmed their show. It was incredible! The dancers carried big drums and they banged them loudly. They all shouted and they kicked their feet. Then they played their drums quietly and some of the dancers climbed onto the drums to make a tower. Then they banged their drums quickly. It was very exciting.

You can watch these dancers playing their drums in one of our programmes. We hope you enjoy it!
