

## Driving in my car

Madness

I've been driving in my car, it's not quite a Jaguar  
I \_\_\_\_\_ it in Primrose Hill from a bloke from \_\_\_\_\_  
It was made in \_\_\_\_\_ in a factory by the Tyne  
It says Morris on the \_\_\_\_\_, the GPO owned it before  
I drive in it for my job, the governor calls me a slob  
But I don't really care, give me some \_\_\_\_\_ and the open air.

It's a bit old but it's mine, I mend it in my spare \_\_\_\_\_  
Just last week I changed the oil, the rocker valves and the coil  
Just last \_\_\_\_\_ I changed the oil  
Last week it went round the clock, I also had a little knock  
I dented \_\_\_\_\_'s fender, he learned not to park on a bender, ha ha ha

I've been driving in my car, it don't look much but I've been \_\_\_\_\_  
I drive up to Muswell Hill, I've even been to Selsey Bill  
I \_\_\_\_\_ along the A45, I had her up to \_\_\_\_\_  
This copper \_\_\_\_\_ me the other day, you're mistaken what could I say  
The tires were a little worn, they were O.K. I could have swom  
I like driving in my car, I'm \_\_\_\_\_ I've got this far

I like driving in my car, it don't look much \_\_\_\_\_ I've been far  
I like driving in my car, even with a flat tyre  
I like driving in my car, it's not \_\_\_\_\_ a Jaguar  
I like driving in my car, I'm \_\_\_\_\_ I've gone this far.
