

While you were sleeping

Scene 2

Watch the video:

Lucy visits Peter at the hospital.

Even though Peter is in a coma, Lucy talks to him as if he could hear her. These are her real words, but I'd like you to write what you could explain to a person who hasn't seen the film.

Example: *How are you?*

Lucy asked Peter how he was.

1. *My name is Lucy*

2. *Your family thinks we are engaged*

3. *I don't know what to do*

4. *I have a cat.*

5. *I have an apartment.*

6. *Do you believe in love at first sight?*
