

Bohemian rhapsody - Queen

Listen, enjoy and drag the words in the right place. Check and sing loud!

Is this the real life?
Is this just _____?
Caught in a landslide,
No escape from _____
Open your _____,
Look up to the skies and see,
I'm just a _____ boy, I need no sympathy,
Because I'm easy come, easy go,
Little high, little low,
Any way the wind blows doesn't really matter to
Me, to me

Mamaaa,
Just killed a man,
Put a gun against his _____, pulled my trigger,
Now he's dead
Mamaaa, life had just begun,
But now I've gone and thrown it all away
Mama, oooh,
Didn't mean to make you cry,
If I'm not back again this time tomorrow,
Carry on, carry on as if nothing really matters

Too late, my time has come,
Sends shivers down my _____, _____'s aching all
The time
Goodbye, everybody, I've got to go,
Gotta leave you all behind and _____ the truth
Mama, oooh
I don't want to die,
I sometimes wish I'd never been born at all.

I see a little silhouetto of a man,
Scaramouch, Scaramouch, will you do the Fandango!

Thunderbolts and lightning, very, very frightening me
Galileo, Galileo
Galileo, Galileo
Galileo, Figaro - magnificoo

I'm just a poor boy nobody loves me
He's just a poor boy from a poor family,
Spare him his life from this monstrosity
Easy come, easy go, will you let me go
Bismillah! No, we will not let you go
(Let him go!) Bismillah! We will not let you go
(Let him go!) Bismillah! We will not let you go
(Let me go) Will not let you go
(Let me go)(Never) Never let you go
(Let me go) (Never) let you go (Let me go) Ah
No, no, no, no, no, no, no
Oh mama mia, mama mia, mama mia, let me go
Beelzebub has a devil put aside for me, for me,
For meee

So you think you can _____ me and spit in my _____
So you think you can _____ me and leave me to die
Oh, baby, can't do this to me, baby,
Just gotta get out, just gotta get right outta here

Nothing really matters, Anyone can see,
Nothing really matters,
Nothing really matters to me
Any way the wind blows...
