

Activity 13

Bias or Not

Select if the sentences show bias or not.

No	Sentence	Bias	Not
1	Your teacher asks you to join music class because she loves playing guitar.		
2	When you are talking about food, every add on your smart device is about food.		
3	You get a colour chart in school. Your teacher asks you to look at all colours carefully and pick your favourite.		
4	You want to join a dance club. Your parents help you research lots of dance clubs online before you decide which one you like.		
5	All your friends like basketball but you like football. They try to get you to stop playing football and start playing basketball.
