

L.Q. Can you add using a formal written method?

Add the numbers below together using the column method for addition – use the boxes to show where you carry over into the next column and don't forget to add that carry on!

1
$$\begin{array}{r} 4078 \\ + 7806 \\ \hline \\ \hline \end{array}$$

2
$$\begin{array}{r} 3020 \\ + 7033 \\ \hline \\ \hline \end{array}$$

3
$$\begin{array}{r} 8389 \\ + 2094 \\ \hline \\ \hline \end{array}$$

4
