

Mariam and Sultan and trying to Identify real world applications of microcontrollers.  
Help them to match the devices and systems to show if they have built-in microcontrollers.

| Electronic devices/systems                                                          | Built-in Microcontroller? |
|-------------------------------------------------------------------------------------|---------------------------|
|    | Yes                       |
|   |                           |
|  |                           |
|  | No                        |
|  |                           |
|  |                           |
