Phonics

Reading Comprehension

When you are reading and come to a word you do not know, you can use words or sentences around the unknown word to find clues that help you figure out the meaning of the word. These words or sentences are called context clues. Use the acronym **IDEAS**.

I – Make an **INFERENCE**

D- Look for a **DEFINITION**

A- Look for an **ANTONYMN** (word with an opposite meaning)

E- Look for an **EXAMPLE**

S- Look for a **SYNONYMN** (word with the same or a similar meaning)
