Najmee : Grandpa, how do you make **a** wau?

Grandfather : First, I split bamboo and soak it for two weeks to make it flexible. Then, I make a lightweight frame from bamboo splits. Next, I cut patterns from rice-paper and glue them piece by piece on frame to form beautiful motifs.

Najmee : What is the specialty of wau, grandpa?

Grandfather : The wau makes humming sound called *dengung* as it flies high in the air. The higher kite flies and the stronger wind blows make the wau produce this sound.

Najmee : Grandpa, is it true that these kites come in different shapes and sizes?

Grandfather : Yes, Najmee. There are many types of wau such as *wau kucing*, *wau merak*, and *wau bulan*. When I bring a *wau bulan* to event, everybody likes it because it is light and colourful.
