Complete the lyrics with the appropriate verb in the past

At first I afraid, I petrified
Kept thinking I could never live
without you by my side
But then I so many nights
thinking how you me wrong
And I strong
And I how to get along
And so you're back
From outer space
I just in to find you here
with that sad look upon your face
I should have changed that stupid
lock, I should have made you leave
your key
If I'd known for just one second
you'd be back to bother me

Go on now, go, walk out the door
Just turn around now
'Cause you're not welcome
anymore
Weren't you the one who to
hurt me with goodbye?
You think I'd crumble?
You think I'd lay down and die?

Oh no, not I, I will survive
Oh, as long as I know how to love, I
know I'll stay alive
I've got all my life to live
And I've got all my love to give and
I'll survive
I will survive, hey, hey

It all the strength I not
to fall apart
..... trying hard to mend the
pieces of my broken heart
And I oh-so many nights just
feeling sorry for myself
I used to cry
But now I hold my head up high and
you see me
Somebody new
I'm not that chained-up little person
still in love with you
And so you like dropping in
and just expect me to be free
Well, now I'm saving all my lovin' for
someone who's loving me

Go on now, go, walk out the door
Just turn around now
'Cause you're not welcome
anymore
Weren't you the one who to
break me with goodbye?
You think I'd crumble?
You think I'd lay down and die?

Oh no, not I, I will survive
Oh, as long as I know how to love, I
know I'll stay alive
I've got all my life to live
And I've got all my love to give
and I'll survive
I will survive
