

JAMES BOND'S DAILY ROUTINE

Read the following text and complete the activities below.

Hello my name is Bond James Bond, I am an English spy, I am 37 years old and today I will share my daily routine: I wake up at 5 am because I work very early, later I go to the bathroom, in the bathroom I brush my teeth and take a shower, then I go to my bedroom and get dressed. Finally, I go to the kitchen, in the kitchen I make my breakfast and I have it. I leave my house at 7:30

In the afternoon, I have/eat my lunch with my Friends at 1 pm, later, I go to the park near my office and I do some exercise because I like to be a healthy person, then at 2:30 I return to continue working until 7 pm.

At night, I swim in my private pool at 8 pm and then I go to the gym to do some boxing and exercise. After that, I go to my kitchen and I cook some tasty food, then I go to my study room, where I read some books about cooking and science fiction. Finally I go to bed at 10pm, but before that I brush my teeth and wash my face.
