Insert
Right

Select the correct function of the buttons

Drag and drop the correct type of wrap text to their results

Tulip

Tulips are another beautiful spring flower. Their Latin name is Tulipa. They start flowering in early March and flower all the way through to May. Tulips flower from a bulb and should be planted from October to November time. Tulips love full sun so must be in it all the time. They can be planted in many places including borders and containers. They are another very popular spring flower.

What kind of alignment of the selected text is it?

Align Left

Align Right

Align Center

Align Justify

Which alignment was applied to change from (1) to (2)?

Video provides a powerful way to help you prove your point. When you click Online Video, you can paste in the embed code for the video you want to add. You can also type a keyword to search online for the video that best fits your document.

To make your document look professionally produced, Word provides header, footer, cover page, and text box designs that complement each other. For example, you can add a matching cover page, header, and sidebar. Click Insert and then choose the elements you want from the different galleries.

Themes and styles also help keep your document coordinated. When you click Design and choose a new Theme, the pictures, charts, and SmartArt graphics change to match your new theme. When you apply styles, your headings change to match the new theme.
