

## THE MORNING SHOW

This is gonna be a new \_\_\_\_\_ for the Morning Show.

Eight seconds to you. \_\_\_\_\_ her.

Mitch Kessler, my \_\_\_\_\_ and partner of 15 years was fired today.

We are \_\_\_\_\_ the biggest crisis in our history.

I don't \_\_\_\_\_ the mold.

Watching a beloved woman's breakdown is a timeless American \_\_\_\_\_.

I just need to be able to control the narrative so that I am not \_\_\_\_\_ out of it.

And frankly I've let you bozos \_\_\_\_\_ this long enough.

- What are the main topics of the series?
- Did you use to watch such morning shows in your childhood? Did they influence you somehow?
- Do you think that the media have too much power?
- Do the media care more about truth or profits?
- Should the media talk about the violence and abuse? Should there be any censorship of the media?
- The US has open media. What do you think about countries that ban or restrict the media?
- If you are someone who usually follows the news, has there been a time when you decided to stop? Why and for how long?
