

Dates

Get into teams. Work together to create a list of the most important dates of the year for each member of your team. You can use events like birthdays, favorite holidays, and other such days. You should think of at least 10 dates. Write the dates in the space below using the number-only form. Then, present them to your class.

1. 7/18/2014 - Mom's birthday

2.

3.

4.

5.

6.

7.

8.

9.

10.

- Change the dates you gathered from your team from the number form into the word form.

1. July 18, 2014

2.

3.

4.

5.
