A day out at A-Zone

Last Saturday, I went with my friends to the big indoor adventure centre in my town. It's called A-Zone. We spent the morning in the winter sports part of the centre. Here, you can go skiing, snowboarding, and sledging. First, we had a skiing lesson. It's difficult, but our teacher was very good. We also went sledging and that was fun. We didn't go snowboarding because we were hungry, so we had lunch – pizza for everyone.

After lunch, we went to the climbing walls. First, we climbed the easy wall and I was first to the top. Then we climbed the difficult wall and I was first as well! After that, we went skydiving, but we didn't jump out of a plane. In this part of A-Zone, a strong wind comes out of the floor. You lie on the wind and you think you're flying!

There are other activities you can do at A-Zone, like shopping or watching a movie. You can go bowling, too. But we were tired, so we decided to go home. We had a great day, and we want to go back to A-Zone soon.
