marble table

struck a match

strange noise

### The Ghost of Hollybush Street

Jane and Helen arrived at the beautiful, old house late in the afternoon. They unpacked their things and went out for a walk. It was dark when they came back. They were very tired, so they went straight to bed. The two sisters were asleep when Helen heard a **1)** _____. She woke up straight away. She **2)** _____ and lit a candle that was on a **3)** _____ next to her bed. Jane was fast asleep, so Helen **4)** _____ and slowly went downstairs to have a look. As she walked, she heard the sound again – the cold, hard **5)** _____. When she reached the living room, she saw an old man dressed in **6)** _____ with his hands in **7)** _____.

"Young lady", he said, "I'm the ghost of Hollybush Street. Leave as soon as possible! I don't want to get angry!" Helen was so shocked that she ran upstairs and pulled Jane out of bed. When Jane asked what happened, Helen said, "It's a **8)** _____! We can't live here." The next morning the two girls left the house ... And so did the ghost of Hollybush Street!
