### How It's Made- Luxury Sports Cars

Put in the correct order:

|                      |   |                          |
|----------------------|---|--------------------------|
| <input type="text"/> | Detecting imperfections                             | ( ) <input type="text"/> |
| <input type="text"/> | Transporting to the assembly area                   | ( ) <input type="text"/> |
| <input type="text"/> | Spraying the body with a coat of paint              | { } <input type="text"/> |
| <input type="text"/> | Testing the dashboard                               | ( ) <input type="text"/> |
| <input type="text"/> | Positioning and attaching exterior panels and doors | ( ) <input type="text"/> |
| <input type="text"/> | Lowering the car body onto the chassis              | ( ) <input type="text"/> |
| <input type="text"/> | Positioning the steering wheel                      | ( ) <input type="text"/> |
| <input type="text"/> | Waxing  | ( ) <input type="text"/> |
| <input type="text"/> | Filing down the imperfections.                      | ( ) <input type="text"/> |
| <input type="text"/> | Applying the coats of varnish.                      | ( ) <input type="text"/> |
| <input type="text"/> | Immersing and rotating the chassis in a solution    | ( ) <input type="text"/> |
| <input type="text"/> | Installing the wheels                               | ( ) <input type="text"/> |
| <input type="text"/> | Installing the finished dashboard                   | ( ) <input type="text"/> |
| <input type="text"/> | Checking the hydraulic mechanisms                   | ( ) <input type="text"/> |
| <input type="text"/> | Transporting the body panels                        | ( ) <input type="text"/> |

II. Now mark with a(R) all the steps of making the car done by robots, with a (H) by a human and (R/H) by a human with a help of a machine.

III. Write all the words from you hear in the video that are car parts:
