Hello Amy

I have good news. I have a new job. I work for a telecommunications company. I am in charge of the sales department. I am the assistant to the head of the department. The salary is very good.

The company is a bit far from my apartment so I take the subway at 7:15 am. There is a restaurant across the street from the office and I always take 10 minutes to order my breakfast to go. At 8:00 am I sit at my desk, ready to start my work schedule.

At lunchtime, I often go to the restaurant again with my colleagues from the courier department. I love my job and it is not boring at all, in fact there is always something to do. My working day ends at 5:00 pm. Sometimes I go with my boss to have a coffee and plan the next day's work.

I get home at 7:00 pm and usually watch Netflix while I cook dinner. I hope you will come visit me soon. I have a lot of things to tell you.

With love, Beth
