

Grade 1 – Math
Comparing Sets

Example		<div>is more than ></div> <div>as many as =</div> <div>is less than <</div>	
1)		<div>is more than ></div> <div>as many as =</div> <div>is less than <</div>	
2)		<div>is more than ></div> <div>as many as =</div> <div>is less than <</div>	
3)		<div>is more than ></div> <div>as many as =</div> <div>is less than <</div>	
4)		<div>is more than ></div> <div>as many as =</div> <div>is less than <</div>	
5)		<div>is more than ></div> <div>as many as =</div> <div>is less than <</div>	

Compare the sets. Write greater than, less than or as many as inside the box.

1)		<div></div>	
2)	6	<div></div>	5
3)		<div></div>	
4)		<div></div>	
5)		<div></div>	
6)		<div></div>
