Requirements for a college English course.

Professor: Welcome to English B1 course 59. I´m Elizabeth Gonzalez. To pass this course you will require certain skills in order to pass the final evaluation.

- Instead of having a midterm or final exam, you will need to hand in a formal essay and a special project. The topic will be given by the teacher.
- During class time you 1. _____ in the AVAC Platform and develop resources posted for each unit. You will be given 10 points for completing them successfully. In addition, showing me your workbook will be completely optional but you will receive some extra points for your effort.
- After each unit, you 2. _____an online unit quiz. If you happen to get a score below 7 you 3. _____taking extra classes on Saturdays.

Student A: Last semester we didn´t 4. _____ any paper or project. Could you give us more details about it?

Professor: All right, the term paper 5. _____ at least 10 pages, and you 6. _____ into account the latest APA rules in citation. Are there any questions?

Student B: When is the term paper due?

Professor: You 7. _____ it in by Mid-December. It 8._____ late. I don´t want to be grading them during my Christmas vacation. You will be given 40 points for successfully completing it. You will find the evaluation details in the rubric attached in the platform.

Student A: Could you give us more details about the Final Project?

Professor: Sure, for the final project, students 9. _____ a ten-minute video in which they explain an interesting topic related to their major. Students don´t 10. _____the paper or any visual aid during the presentation; on the contrary, they 11. _____ fluently and be confident. Remember, B1 is considered a high level. One more thing, the paper and the final project will be 80 points, are there any other questions?

Student B: Yes, I have one more question. What is the minimum grade required to pass this course? I 12. _____because I need to graduate.

Professor: You have to get at least 70 percent or more in order to pass this course.

Student A: Do we have to buy the Workbook?

Professor: Only if you want to pass. Good luck!
