1. Read the information about giraffes and answer the questions.

Giraffes are incredible animals. Giraffes live in the Savannah, in Africa. Giraffes are vegetarian, they eat mostly leaves that grow on trees, that's why they have got such long necks. Giraffes are yellow, with small brown spots. Giraffes have got a small head, with small eyes, small ears and a big nose and mouth. They have also got two small horns. They have got a big body and a long tail. They have got four long legs. Giraffes can run and jump, they can also swim but they can't climb trees or fly. Do you like giraffes?
