2. Read the text and match the highlighted words with the definitions below. Pay attention, there are some extra definitions.

The last of the 13 colonies, Georgia, was founded by James Oglethorpe. In those days English debtors were sent to jail. Many remained behind bars for years. Oglethorpe knew that many prisoners were poor but honest. They could become good colonists. In 1732 Oglethorpe attained a land grant between South Carolina and the Spanish colony of Florida.

LIVEWORKSHEETS

Oglethorpe arrived in 1733 with a group of debtors. They settled at a site they called Savannah. Savannah became a thriving seaport.

By then, the English flag flew all along the coast of North America. The colonists were building a new way of life, and they also built a new nation that would become the United States of America.
