Hi, I'm Carlos. Last year, my family moved to a new city. Summer was over and it was the first day of school. I was very nervous. My new school is very close to our house, so I walked there. The weather wasn't cold so there were a lot of students outside the school on the grass. I was the new boy, so everyone looked at me. I walked towards the door, but I didn't notice the big rock on the ground. I tripped over it and dropped all my books! Some people pointed and laughed. I wanted to cry, but then a group of kids walked over to me. They smiled and helped me pick up my books. I was so happy. I thanked them and we started talking. Now we are all best friends.
