

Will Smith's time line

Read the text and complete the time line.

Will Smith is a... legend! He is the coolest, greatest actor ever! And the most talented too! Not many people know it, but even before he started his acting career in the '90s, he had won a Grammy Award for best rapper! Well, no wonder... he had founded his own group with Jazzy Jeff when he was only 12! From 1990 to 1996, he starred in a sitcom, *The Fresh Prince of Bel-Air* and became a very popular actor. You know the rest: most of his films are hugely successful blockbusters - *Independence Day* (1996), *Men in Black* (1997), *I, Robot* (2004) and on and on...
