

## Topic: Importance of The Environment

**Taking care of my environment**

Click on all the pictures you SHOULD DO in your environment.

The worksheet features a central text box with the title "Taking care of my environment" and a sub-instruction "Click on all the pictures you SHOULD DO in your environment." Below the text box are four illustrations representing environmental activities: planting a tree, recycling trash, and sorting trash. The worksheet is framed by a border of various colorful icons, including a beach ball, sailboat, kite, car, teddy bear, and airplane.
