Need You Now

1. **Listen the song and choose the correct word.**

Picture **effect / perfect** memories
Scattered all around the **floor / flour**
Reaching for the **tone / phone** cause
I can't **fight / find** it anymore.

And I wonder if I ever cross your **mind / mine**.
For **me / my** it happens all the time.

It's a quarter after one.
I'm all alone and I need you now.
Said I wouldn't **could / call**, but I lost all control
And I need you now.
And I don't know how I can do without
I just need you now.

Brother / Another shot of whiskey
Can't stop looking at the door.
Wishing you'd come sweeping in the way you did before.

And I wonder if I ever cross your **mind / mine**.
For **me / my** it happens all the time.

It's a quarter after one.
I'm a little drunk and I need you now.
Said I wouldn't **could / call**, but I lost all control
And I need you now.
And I don't know how I can do without
I just need you now.

Yes, I'd rather hurt than feel nothing at **old / all**.
It's a quarter after one.
I'm all alone and I need you now.
And I said I wouldn't **call / could**
But I'm a little drunk and I need you now.
And I don't know how I can do without
I just need you now. I just need you now. Oh baby I need you now.
