SEVEN-GREAT-SINS

Match between the sins and the definition at the chart

sins	definition
Polytheism	t o run away from the battle field
Riba /Interest	To accuse chaste women of committing adultery
Sorcery / magic	is someone whose father dies before he/she has reached puberty. It is not permissible to use the property of such an orphan except in the case of serving that orphan's interest
Orphan & usurping an orphan's property	If a person engages in a transaction of Ribā, whether it be to accept or give Ribā and this is from the gravest of sins. Ribā is usury
Fleeing from battle field.	To take a life which Allah has forbidden except in just retribution (Qatluʾl-nafsi): Allahi has protected innocent lives and souls by investing them with a sanctity and forbidding their destruction
Slander / Accuse chaste women	This is the practice of charlatans and magicians who use words, actions and special charms that seem to result in extraordinary events that go against the norms of the natural world
Killing / Murder	To join others in worship alongside Allah (Shirk)
