

father - bought - new bicycle

older brother - felt sorry - teach - park - cycle

difficult - balance - lots of practice and encouragement - cycle well

Drag the sentence and arrange into correct sequence.

It was difficult to balance myself on the bicycle.

My older brother felt sorry for me.

I did not know how to ride a bicycle.

After lots of practice and encouragement, I can finally cycle well.

He wanted to teach me how to ride the bicycle.

My father bought me a new bicycle.

We went to the park to learn how to cycle.
