

Daddy Long Legs

MEET THE CHARACTERS

Sallie McBride

1. is an orphan who has been given the opportunity to study at the prestigious Lincoln Memorial High School by a mysterious benefactor whom she only knows as "John Smith". She has only seen his shadow once, and because of his long legs, she calls him "Daddy Long Legs". The only payment she is to give her benefactor is that she write him letters every month, with no expectation of them being responded to.

Jervis Pendleton

2. Jerusha's classmate and roommate. She's a tall, elegant, snob and rich kind of girl. She represents the high-class society who probably never want to mingle with people other than those who belong in their class.

Jerusha Abbott

3. Jerusha's classmate and roommate. Sweet and friendly, that's why they become close and Sally grows fond of Judy because of her personality. She has a very warm and loving family that Judy met during vacation. Sallie gives her the image of what a happy family looks like.

Julia Pendleton

4. Uncle of Julia Pendleton. Judy meets him when he decides to visit and call on Julia. However, Julia begged Judy to walk him about the campus instead. He looks like a true Pendleton at first glance, although he seems simple and unaffected. He was brought up in a well-known New-York family but unlike his family (and Julia) he appeared to be a very companionable person. Judy speaks of him with admiration. They spend time together and become close friends.
