

GREEKS, PHOENICIANS AND CARTHAGINIANS

Read and choose the correct word.

The Phoenicians colonised the **southern / northern** Iberian Peninsula about 2,600 years ago to **trade / talk**. They settled on the coast and founded **polis / colonies**. They were excellent **sailors / cooks**.

The Carthaginians come from north **Africa / Europe**. They founded new **colonies / forts** and traded metals. The Carthaginians fought against the **Romans / Greeks**, but the **Romans / Greeks** won.

Complete the table about Pre-Roman colonizers on the Peninsula.

	came from...	settled...	founded colonies such as...
Greeks	the Eastern Mediterranean Sea		<i>Rhode (Rodas), Emporion (Ampurias)</i>
Phoenicians	Asia	<i>on the south coast of the Iberian Peninsula</i>	
Carthaginians
