

Smile

Johnny Stimson

When my head is full of
And the sky is full of rain
When I'm worrying about what I can't
I take a look in my reflection
And try to make a funny face
And for a all my sorrows melt away

light

smile

times

light

'Cause if we just
We can forget all of our troubles for a while
We can just live inside this
You and I get through the darkness
Knowing we'll find the light

One step

questions

moment

If we just smile
If we just, if we just
If we just smile
Yeah, if we just smile

alright

change

second

future

Maybe we focus on the
No use in living in the past
Try to remember that
The bad never last

And if we take
One step at a time
We're gonna make it
Gonna make it
If we stick together, we'll be fine

'Cause if we just
We can forget all of our troubles for a while
We can just live inside this moment
You and I get through the darkness
Knowing we'll find the
