ICE

Drew, drew that beat

I'd give my heart if you want it
But I can tell you don't know nothing
I can put you on, go shopping
And you can put it on girl, flaunt it
I got what you need and what you like
I can put you on, we blowing bands, but that is life
She said that she pulling up, well I got something nice
Looked down at my wrist I said, "little baby, that is ice"

Draw lines to Join words

I'd give my if you want it

But I can tell you don't know nothing

I can put you on, go

And you can put it on girl, flaunt it

I got what you and what you like

I can put you on, we blowing bands, but that is life

She said that she pulling up, well I got something nice

Looked down at my wrist I said, "little baby, that is
